# Welcome!

Hello and welcome to The Mall Camberley's Make Every Day Beautiful magazine – a new publication, created to help us all feel a little bit special, every day.

However we feel, there is always a way to make life a little brighter - like giving ourselves a well deserved treat! So, in this first issue we've asked our retailers to reveal their tips and tricks on having a beautiful day.

All the products featured here can be found in The Mall, so if there is something you like, you'll find it's easy to find.

When I'm not working I'm travelling the world, so my favourite product is Estée Lauder's Advanced Night Repair Serum that you can find in House of Fraser. Flights are terrible for our skin, so I've found the miracle cream that saves my skin from the dry environments. This is my skin life insurance!

Enjoy the magazine – I particularly enjoyed model Sonia Yasmin Ali's tips for creating a great new look on a budget – I'm sure you'll find some tips and tricks that will help Make Every Day Beautiful for you.

# Beauty on a budget

We all love discovering a new look for a night out, so we sent our model Sonia Yasmin Ali out into The Mall on a mission to create a beautiful evening look on a budget.

I started off with the Maybelline Fit Me! Foundation (RRP £5.99 from Superdrug and Boots). This foundation is matte and poreless and for normal to oily skin. It gives that seamless look.

I then used an eyebrow pencil from MUA to pencil in my brow (£1 from Superdrug). This particular pencil is brilliant as it has a brush on the other end to finely comb through your brows giving a nice, even look.

My next step was with the Gosh Contour 'n Strobe Kit in colour 002 Medium (RRP £12.99 from Superdrug). I think this was my best find overall throughout The Mall stores. The palette consists of two contour colours, a highlight and a blush.

In this look I used all four colours.

Doubling up on my eyebrow pencil I then used it as an eyeliner to put a soft line above the lashes.

To finish off the eyes, I used Rimmel Volume Colourist Mascara (RRP £7.99 from Boots and Superdrug). This Mascara is said to tint your lashes over time which is fabulous for the end of summer when your lashes can sometimes be a little lighter on the ends due to the sun.

This product has a wonderful wand and applies to the lashes beautifully.

To finish off my total look I used Sleek Matte Me Ultra Smooth Matte Lip Cream (RRP £4.99 from Boots and Superdrug) in the colour Velvet Slipper. I carefully applied this over the lips.

I spent only £32.96 to complete this look; it's amazing what you can find inside The Mall!
